

# What to do?

- One:** Select and arrange **photo prints** in order of preference. Number them on the back from 1 to ...?
- Two:** For **digital photos**, select in order of preference and rename them 1 to...?
- Three:** For **video tapes**, select tapes and select frames to be downloaded. Number the frames in preference with the photos. For example: Photo 1,2,3, 4 video tape 5 (frame 3:50 to 4:49).
